

Rules and Info

- The goal of the project is to create a temporary redwork quilt. By participating and completing your redwork block, you will be a founding contributor to The Quilt Project.
- After signing up you will receive a square of calico in the mail. The square measures 50 x 50 cm approximately.
- Your design should occupy the centre of the calico block only. Please ensure that your design is no larger than 35cm x 35cm. Pieces submitted with a design larger than this may not be able to be included.
- Your contribution should be ORIGINAL. Please do not reproduce commercial stitching patterns. This block will be your “signature” – make it unique.
- If you’re not a stitcher...fear not. You can appliqué, paint, sketch, quilt, screen print, gocco, crochet or knit your block. You may choose to incorporate all of these...knock yourself out! Just make sure it’s RED. Your finished piece should measure 50 x 50cm with the actual design occupying 35 x 35 cm (border with original calico).
- Please use ONLY red. Pieces submitted using other colours may not be able to be included. If you’re quilting/piecing please use only neutral & red fabrics.
- All blocks must reach Melbourne by **20 September 2009**. Blocks received after this date may not be able to be included.
- Once finished the quilt will be displayed in Melbourne & then made into an “online quilt”.
- Finally, the quilt will be disassembled.
- You must elect “swap” or “save”. If you choose to “save” your original piece will be returned to you. If you choose “swap” then you will receive the block belonging to another quilt member.
- Limited places: In order to secure your block please print & return page 2 of this PDF. Places will be allocated in order of email receipt.

Thank you, I’m looking forward to being part of something special with you.
